ADRIA

Living in Motion

MOTORHOMES 2018

Inspiring adventures since 1965.

Get closer to nature.

Our season 2018 range is your window to a world of new adventures, closer to nature.

We are confident you will enjoy being part of the Adria family, as our motorhomes offer the best in contemporary style, comfort and specifications, including the largest panoramic windows and the world's first 'sky-lounge' in the new Coral.

Adria has over fifty years of experience in recreational vehicle design and manufacture, which brings many advantages in terms of quality, attention to detail, and choice of vehicles, features and layouts. All Adria vehicles are made at our state-of-the-art factory in the heart of Europe and are backed up with class-leading warranties, a network of over 450 professional dealers and an efficient parts and aftersales service.

Love your adventures.

Sonja Gole
General Manager, Adria Mobil

Free Camping & Caravanning Guide

All new 2018 models come with a free Camping Guide! Discover 6,000 campsites and contact details of 450 Adria dealers.

I FEEL SLOVENIA

Slovenia.
Your caravanning destination.

Why choose Adria?

Passion and experience really matter.

1 PASSION AND EXPERIENCE.

Adria has been designing and manufacturing recreational vehicles for over fifty years. This experience and the passion and skills of our workforce, really matter when designing and manufacturing your next vehicle.

2 AWARD-WINNING PRODUCTS.

Adria offers products in all categories of motorhome, caravan and van conversions and has a large choice of layouts. Adria products continue to win independent awards too, for design, innovation, quality and value for money.

3 INTELLIGENT DESIGN.

Adria practices intelligent design, which optimizes the use of technology, the best construction methods and materials. Innovatively-styled vehicles with contemporary interiors as well as unique Adria solutions like Smart kitchens and hotel-style ergonomic bathrooms.

4 STATE OF THE ART FACTORY.

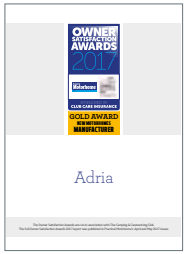

Adria operates the most advanced production facilities in the industry, ISO 9001, 14001 & EFQM certified for quality management and environmental standards. Here, world-class manufacturing techniques and processes are operated, for designed-in and built-in quality.

5 QUALITY, RELIABILITY & DURABILITY.

Adria vehicles have a reputation for quality, reliability and durability using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire vehicle manufacturing process.

EFQM
Recognised for Excellence
5 Star - 2017

6 PEACE OF MIND.

Adria products come with a class-leading warranty. There's a professional dealer network of over 450 Adria dealers across Europe and beyond, backed up by a world-class parts supply and aftersales service.

Control your Sonic's main functions, get access to model-specific operating manuals and also to our new Camping Guide, with European dealer network information and over 6,000 campsite destinations.

Designed for living

Details matter

In designing a recreational vehicle, details matter and every centimetre counts. The science of layouts and construction, so that everything is in the right place, is learned over decades and Adria brings this experience to every vehicle.

Only Adria offers innovative solutions such as our Smart kitchens, hotel-style 'Ergo' bathrooms, a wide selection of sleeping solutions, optimized and flexible storage and our unique panoramic windows and Sky Lounge design. Details really matter, from the contemporary interior design to where we locate the heating, all Adria vehicles are 'designed for living'.

DISCOVER MORE

Discover more about our motorhomes at

www.adria-mobil.com

*Some features may not be available in all models.

Sleeping

A wide range of sleeping solutions on berths with optimized dimensions and high quality sprung mattresses. Beds which are easy to access, including light-weight solid construction pull-down beds and bedrooms with optimized air circulation.

Living

Contemporary interiors with a feeling of space and great functionality. Excellent integration with the driving cabin, large panoramic windows and, in the new Coral, even a new exclusive Sky Lounge. Large flexible dinettes and a wide choice of furniture and textiles.

Kitchens

Intelligently-designed Adria Smart kitchens based on ergonomic principles with everything in the right place. Integrated functionalities and the best appliances including the latest design fridges. Useful features and plenty of storage.

Bathrooms

Hotel-style bathrooms designed using ergonomic principles, with excellent functionality and touches of luxury. Quality bathroom equipment, useful storage and layouts including en-suite formats and optimized ventilation.

Multi-media

Smart-living solutions, including intelligent TV placement, digital controllers for key vehicle functions and on some vehicles, integrated multi-media walls and the option of Alde Smart heating control. Take even more control too with our new Adria 'Live Stream' application option available on Sonic.

SMART LIVING

Storage

Optimized and flexible storage on all vehicles with places for the things you need, with easy access large garages and flexible storage solutions.

*some features may not be available on all models.

SMART SOLUTIONS

Designed to perform

7 YEAR* ADRIA WATER INGRESS WARRANTY

2 YEAR* ADRIA WARRANTY

*Terms & Conditions apply, see website for details.

1 INTELLIGENT DESIGN

Aero-dynamic exterior styling with dynamic front profiles and rear walls and integrated features such as LED lighting. Designed to perfectly integrate with the base vehicle with the seamless integration of interior space and choice of contemporary interiors, layouts and features.

2 BASE VEHICLES

Perfect integration with the base vehicle with a choice of Fiat and Citroen depending on the model you select. Modern Euro6 engines and a range of driver aids for safer and more comfortable driving.

3 BODY CONSTRUCTION

Adria's unique 'Comprex Body Construction' combines the torsional strength of wood, the durability of polyester and the moisture-stopping properties of polyurethane. Stronger and more robust, with a 7 year Water Ingress Warranty.

4 HEATING

Optimized heating efficiency with precise engineering and cold-chamber testing ensuring all season use. A choice of Truma combination boiler gas and electric blown air and integrated Alde central heating with optional Webasto heater booster too on selected models.

5 INSULATION

The latest thermal insulation materials, sophisticated heat and air flow management and the best heating means all year round use comes as standard on all Adria motorhomes.

6 AIRFLOW

Adria's sophisticated Air Flow System means every vehicle has integrated air-flow and ventilation designed in from the start. Air vents, window design and sun-shading features ensure your comfort whatever the weather.

7 WINDOWS & DOORS

The largest and most advanced panoramic windows available, with built-in features. All windows and doors are integrated into the vehicle body and ensure optimum natural lighting, ventilation, privacy and security when you need it.

8 FURNITURE & STORAGE

Craftsman built cabinetry, designed and manufactured in our own facilities for durable and reliable quality. Integrated design with heating and air flow means optimum thermal efficiency too. Plenty of flexible storage throughout each vehicle for all your gear too.

9 COMFORT & SAFETY

Enjoy Adria's expertise in innovative living comfort, with the combination of optimized space and functionality, ergonomically designed 'Ergo' kitchens and washrooms and contemporary interior design plus the maximum permitted seat belt and ISOFIX options too.

10 CUSTOMER SERVICE

Class-leading 2 Year General Warranty and 7 Year Water Ingress warranty as standard. Backed up by a professional dealer network of over 450 dealers, an efficient after sales parts service and roadside assistance where provided by the basic vehicle manufacturer.

Real world performance.

All Adria vehicles are also designed to perform. Everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment when on your adventures. Built to enjoy, built to last.

INSPIRATIONS

Discover more about Adria and more destinations in our on-line magazine, Inspirations, at

www.adria-mobil.com

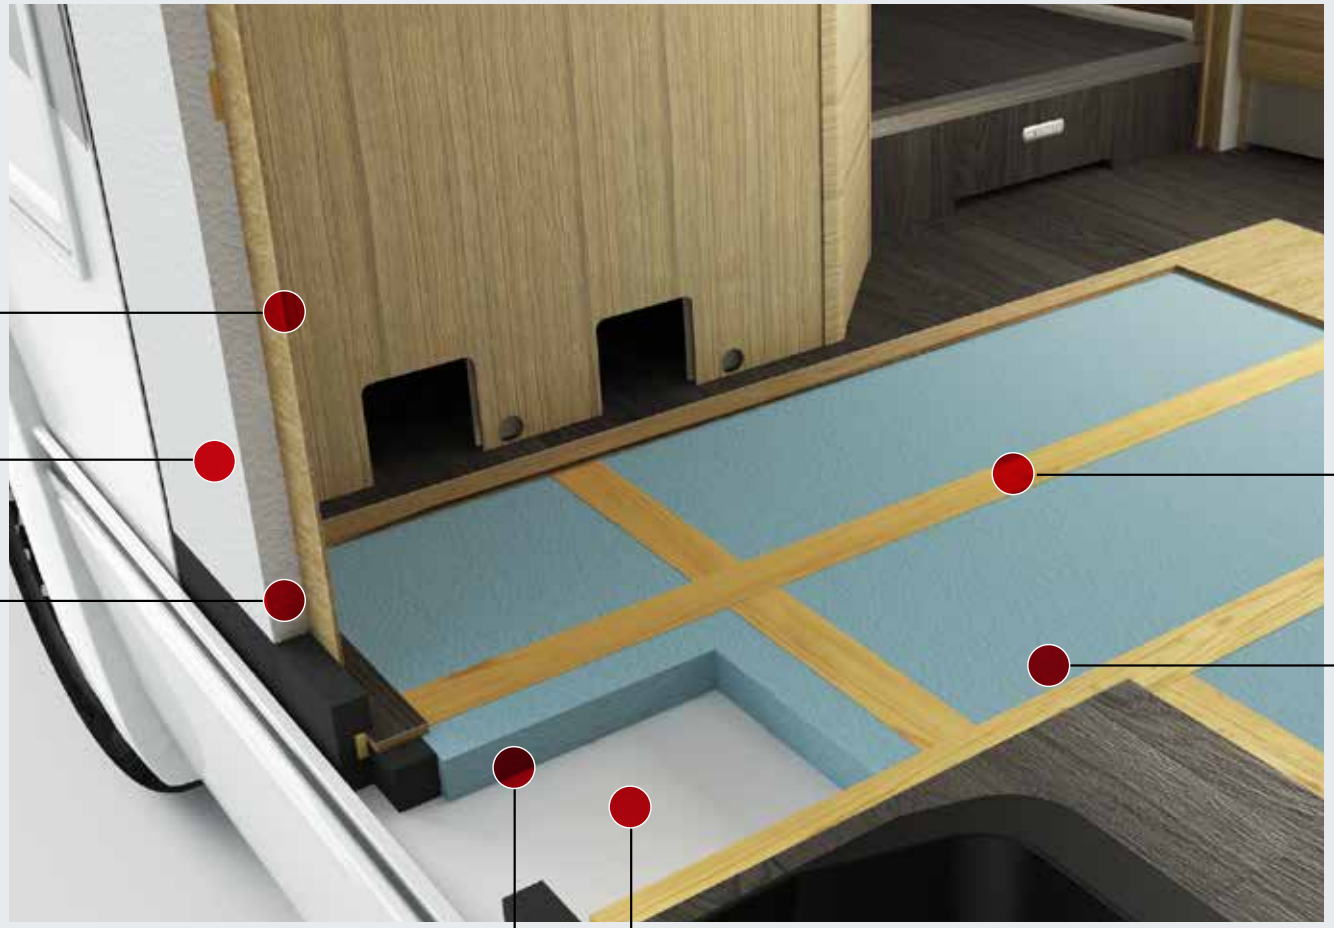

Construction

Adria vehicles with 'Comprex' construction now offer a 7 year water ingress warranty, as standard, reflecting the superiority of this unique form of body construction.

7 YEAR* ADRIA WATER INGRESS WARRANTY

*Terms & Conditions apply, see website for details

Adria's 'Comprex' construction combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester. Body construction with greater solidity for optimum real-world performance and better insulation.

Climate control

INSULATION

All Adria vehicles are built to 'Thermo-build' standards, optimizing the use of insulation materials, heating design and Adria Air Flow System. This means all Adria vehicles are suitable for use all year round.

VENTILATION COOLING

Adria vehicles are designed to be comfortable too, with sophisticated air-flow management, good ventilation, windows with integrated sun-shading or tinting and opportunities to fit air-conditioning.

*some features may not be available on all models.

HEATING

Adria optimizes the heating efficiency of all vehicles with precise engineering and cold-chamber testing. This approach combined with Adria Comprex construction and the best insulation enables the elimination of thermal bridges for an efficient, comfortable environment, all year round.

Vehicles offer a range of heating systems, which are efficient and powerful, each with their own advantages.

A popular choice, easy to use, with warm air distributed through wellplaced pipes, with optional electrical floor heating too.

Choose Supreme and Plus models with fully integrated Alde heating with a heated liquid transferring the heat throughout the motorhome through the floor. Optional Alde heat exchanger is also available.

truma

Alde

WEBASTO ADDITIONAL HEATER THERMO TOP 5,2 KW

Webasto diesel heating booster is also available as an option on selected models.

ALDE SMART CONTROL

Alde Smart Control, which enables heating control through your Smart phone is available on selected models except on Sonic, where optional Adria Live Stream controls your heating.

Vehicles

PERFECTLY INTEGRATED

Adria works closely with our preferred vehicle suppliers - Fiat and Citroen - to ensure perfect integration with the base vehicle. From exterior styling to the integration of the internal space between the living area and the cabin. Driving and handling characteristics are optimized, making driving a pleasure, with enhanced driver aids and powerful efficient engines.

FIAT DUCATO HIGH PROFILE CHASSIS

Adria selects the best chassis for each vehicle for the best torsional strength and interior living space design, including the Fiat High Profile chassis on Sonic Plus and Axess models.

AL-KO HIGH PROFILE CHASSIS

AL-KO high profile chassis are used on Sonic Supremes and selected Matrix models for optimum torsional strength and interior living space design.

AL-KO Air Premium, AL-KO level controller are also available as options on Sonic Supreme models.

Compact

COMPACT RANGE

Compact dimensions, infinite possibilities.

The Compact sets the new benchmark for smaller motorhomes, with smart exterior dimensions making them true “city motorhomes” yet more interior space, enabling more possibilities when it comes to holiday adventures. Built on a choice of the Citroen Jumper or Fiat Ducato, these new motorhomes offer a genuine new alternative.

World-class partners

Coral Supreme

One of the best skiers of all time, Tina Maze, from Slovenia. An extreme performance athlete with thirteen Olympic and World Championship medals, double World Champion 2015 and highest ever world cup points score 2012-13. Tina uses her Sonic to balance her training, studies and leisure time.

Tina Maze, double World Champion and double Olympic Gold Medallist.

Living in motion

Adria's philosophy of "living in motion" is never better exemplified than in its support of cycling. The Adria-Mobil Cycling Team are the top Slovenian cycling team in the UCI European Tour for the last six years. For more information visit www.adria-mobil-cycling.com

Adria Mobil Cycling Team.

Extreme performance

Every January since 2013 a fleet of Adria motorhomes, straight off the production line are taken on the Dakar Rally in South America by our partners Red Bull KTM Factory Racing. Each vehicle provides home comforts to the riders and team as they battle across 9,000 kms of the toughest terrain on earth. This is the ultimate real-world durability test, won four times in a row.

Sam Sunderland, 2017 Dakar Rally Motorcycle Winner. KTM's sixteenth triumph at the annual Dakar rally.
